Re: Amended Notice of Intention to Commence Small Mining Activities, Chimney Rock/Don #1 & 2 Project, S/049/019, Utah County, Utah

Dear Mr. Ford:

Thank you for forwarding Chimney Rock Resources, Inc.'s Notice of Intention for the Don 1 & 2 project, which we received September 12, 1994. The proposed project is located on BLM managed land in Section 33, T11S, R9E, SLBM, Utah County, Utah. Your agency's designated casefile number is U-72269.

The Division is treating this Notice as an amendment pursuant to Chimney Rock Resources filing a Notice (involving State Trust Lands adjacent to the BLM properties) in Section 32, T11S, R9E, SLBM, on July 9, 1992 (approved January 29, 1993), as per the Division's neighboring and related sites policy. The amended notice satisfies the notice requirements of Rule R647-3 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, et seq., Utah Code Annotated.

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files. Please reference our designated file number S/049/019 when forwarding additional information on this project to us.

Sincerely,

Lynn Kunzler
Reclamation Specialist
